Accessibility Statement

General
Rodington Parish Council strives to ensure that its services are accessible to people with disabilities. We have tried to ensure that its website is made easier to use and more accessible for people with disabilities, with the strong belief that every person has the right to live with dignity, equality, comfort and independence.

Accessibility on Rodington Parish Council's website
Rodington Parish Council's website makes available by including the User Way Accessibility Widget that is powered by a dedicated accessibility server. The software allows the site to improve its compliance with the Web Content Accessibility Guidelines (WCAG 2.1).

Enabling the Accessibility Menu
Rodington Parish Council's website accessibility menu can be enabled by clicking the accessibility menu icon that appears at the top right of any page. After triggering the accessibility menu, please make your selections for size of writing and other options available and click save.

Scanned pdf Documents
Scanned pdf documents do not comply with the Accessibility Regulations but that these documents can be provided in an alternative format or on alternative media, on request.

Disclaimer
Rodington Parish Council continues its efforts to constantly improve the accessibility of its site and services in the belief that it is our collective moral obligation to allow seamless, accessible and unhindered use also for those of us with disabilities.

Despite our efforts to make all pages and content on Rodington Parish Council's website fully accessible, some content may not have yet been fully adapted to the strictest accessibility standards. This may be a result of not having found or identified the most appropriate technological solution. However, the parish council does carry out surveys on our website's accessibility from time to time and this information is used to improve the website.

Here For You
If you are experiencing difficulty with any content on Rodington Parish Council's website, widget, any of its services or require assistance with any part of our site or software, please and we will be happy to assist.
